

Lennox® heat pumps make your home a place of

PERFECT COMFORT

HEAT PUMPS
PRODUCT COMPARISON GUIDE

DAVE LENNOX
signature[®]
COLLECTION

The Dave Lennox *Signature*[®] Collection is the ultimate expression of Lennox innovation. These heat pumps are some of the most precise, efficient and quietest you can buy.

-  Ultimate Comfort System™ model

-  iComfort®-enabled model

-  ENERGY STAR® certified model

-  Lennox® Quantum™ coil model

-  Dual-Fuel model

1 Efficiency claim based on comparison of air conditioning and heat pump products' SEER as published in AHRI (January 2015). Actual system combination efficiency may vary; consult a Lennox Dealer or AHRI for exact system efficiencies. Precision claim based on the cooling capacity range of the XC/XP25-036 units as compared to equivalent-sized competitive variable-capacity compressor units.

2 A combination of sound ratings established per AHRI's test standard: AHRI 270-2008 (July 2012); and efficiency ratings as of January 2015 established per AHRI's test standard: ANS1/AHRI 210/240-2008 of two-stage central AC/HP equipment.

3 Heat pumps have sound ratings established per AHRI's test standard: AHRI 270-08 (February 2015). The SL18XP1 has the lowest sound rating of any single-stage heat pump of any major U.S. brand of heat pump equipment. Efficiency claim based on comparison of single-stage heat pump product's SEER and HSPF as published in AHRI in June 2015. The SL18XP1 has a maximum rated efficiency of 18.50 SEER and 10.20 HSPF.

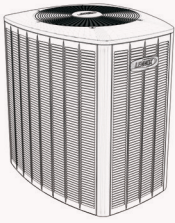

4 Humiditrol systems must be accompanied by either a variable-speed air handler or furnace and an iComfort thermostat or ComfortSense 7500 Series touchscreen thermostat.

5 Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration is required at www.lennoxregistration.com within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

NOTE: Due to Lennox' ongoing commitment to quality, all specifications and ratings are subject to change without notice. Warranties noted apply to residential applications only. Please see actual warranty certificate for details. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.

Product Highlights	The Most Precise and Efficient Heat Pump You Can Buy ¹    \$\$\$\$	The Quietest and Most Efficient Two-Stage Heat Pump You Can Buy ²    \$\$\$	The Quietest and Most Efficient Single-Stage Heat Pump You Can Buy ³    \$\$\$
Efficiency	Up to 23.50 SEER; 10.20 HSPF SunSource® Solar-Ready for additional savings and energy efficiency Can be combined with a Lennox® furnace in a dual-fuel system for maximum efficiency R-410A chlorine-free refrigerant	Up to 19.20 SEER; 9.70 HSPF SunSource Solar-Ready Dual-fuel option R-410A	Up to 18.50 SEER; 10.20 HSPF SunSource Solar-Ready Dual-fuel option R-410A
Comfort	Variable-capacity inverter compressor for exceptionally precise comfort Precise Comfort® technology maintains heating and cooling to within 0.5 degree of your set temperature, under any outdoor conditions	Multi-stage scroll compressor for finely tuned comfort and humidity levels	Single-stage scroll compressor for reliable and efficient performance
Quiet	As low as 58dB SilentComfort™ technology for peace, quiet and comfort	As low as 67dB SilentComfort technology	As low as 65dB SilentComfort technology
Indoor Air Quality	Compatible with PureAir™ air purification system	Compatible with Humiditrol® whole-home dehumidification system ⁴	PureAir-compatible
Quality & Reliability	PermaGuard™ cabinet with heavy-gauge, galvanized steel construction, louvered coil guard, baked-on powder finish and zinc-coated steel base provides long-lasting protection against rust and corrosion SmartHinge™ louvers for quick and easy access to the interior for cleaning and maintenance 10-Year Limited Warranty on compressor and covered components ⁵	PermaGuard cabinet SmartHinge louvers 10-Year Limited Warranty on compressor and covered components ⁵	PermaGuard cabinet SmartHinge louvers Lennox® Quantum™ coil helps offer corrosion resistance in harsh outdoor environments 10-Year Limited Warranty on compressor and covered components ⁵
System Compatibility	iComfort®-enabled for smart and simple comfort control; designed to integrate with iHarmony® zoning system	iComfort-enabled for smart and simple comfort control; designed to integrate with iHarmony zoning system	iComfort-enabled

ELITE[®] SERIES

Elite[®] Series heat pumps deliver high efficiency and complete comfort. Compared to conventional heating and cooling products, Elite Series units can help save you hundreds of dollars in energy costs each year.

MERIT[®] SERIES

The perfect combination of efficiency and economy, heat pumps in the Merit[®] Series are built with smart designs and thoroughly tested to provide years of reliable performance.
